# BRUNEI NATIONAL SKILLS COMPETITION 2026

**Brunei National Skills Competition 2026** is a biennial event that celebrates and promotes exceptional talents in technical and vocational skills, inspiring Bruneian youths to develop a passion for skills and technology, encouraging them to compete and excel. Participants are evaluated by a technical committee based on international standards, with the opportunity to represent Brunei Darussalam in regional and international skills competitions.

In line with Brunei Vision 2035, the Brunei National Skills Competition 2026 serves as a vital platform to empower the nation's youth by showcasing technical excellence, fostering innovation, and cultivating a highly skilled workforce. It supports national aspirations to develop a dynamic economy through skills development. It also serves as a beacon of inspiration by showcasing talent and inspires youths to pursue meaningful, skill-based careers. The competition also drives innovation by motivating industries to embrace emerging technologies and collaborate with educational institutions to shape future-ready professionals. By inspiring young talents to strive for excellence, it helps turn their passions into lifelong professions.

More than just a competition, the event serves as a catalyst for personal growth, industry advancement, and national progress through the power of skills.
